“As we move through the phases of reopening across our community, we look forward to supporting amazing local nonprofits in continuing their heroic work in these times of uncertainty and isolation.” - Jessica Yang, President, Community Foundation of San Carlos.

The Community Foundation of San Carlos was established in November 2019 with a \$2M endowment from the City of San Carlos. Its mission is to improve the quality of life for everyone who lives, works, learns, and plays in San Carlos. Within just a few months of inception, the Foundation established the San Carlos COVID-19 Response Fund in support of nonprofits serving San Carlos community members with urgent and ongoing needs, such as food assistance, health care, mental health services, and other support to promote well-being during this crisis.
